### WEB SITE

We have a new exciting web site where the online shop can be accessed at [www.transport-museum.co.uk](http://www.transport-museum.co.uk). The website will be a great way of keeping in touch with all our Die Cast Collectors and we will be able to pass on the latest news and special limited edition models as they become available. *Keep a look out for the special direct link to the Club page via the web site.*

### CAN WE HELP?

What we would really like is for the Die Cast Collectors to let us know if you have any special requests for particular models. We can pass all your comments on to our suppliers, don't forget we are here to help you. If you don't ask we won't know what you are looking for. Eventually that longed for model may go into production.
