

Coventry Transport Museum

Tactile Tour guide

This hour long multi sensory tour is designed for, but not limited to visitor's who are blind or partially sighted. The tours are suitable for people of all ages who have learning difficulties or special educational needs who would benefit from a more hands on experience!

The tour content covers a range of vehicles and objects from Coventry's rich heritage and will include, object handling; use of models/replica's and enlarged images.

Lunch areas are available upon request, as well as a secure area to leave bags and coats.

Tours must be booked in advanced with a maximum number of 10 people per group and cost £2 per person.

Booking is essential as this tour is fully adaptable and will be designed around your specific requirements and needs.

Please ring and discuss your tactile tour with one of our Facilitator's - **Kristen Sutton or Naomi Wilcox 02476 234270**

Or email at facilitators@transport-museum.co.uk
