## English

### Write a review

#### Introduction

You are going to write a review of the **Coventry Transport Museum**.

Use the boxes on the following pages to **make notes** during your visit.

#### Writing your review (after your visit)

Some writing tips:

##### Write in paragraphs

- You need to present your ideas in a logical, structured order.
- Use the **headings** above the boxes to help structure your writing.
- Write a paragraph for each heading. Remember to give evidence for each of your points. (E.g. Say why something is/is not interesting.)

##### Use a suitable style for your audience

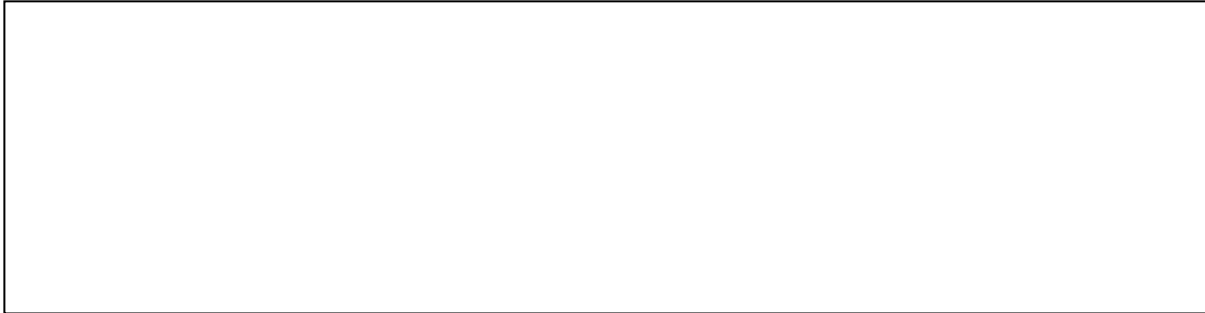

- For a review, aim for a friendly but formal style.

##### Use correct spelling, punctuation and grammar

- Proof read your writing once for punctuation, once for spelling and once for grammar.

**First impressions**

(The location, the building, the reception area etc.)

**Layout of the museum**

(E.g. the size, number and variety of exhibitions, signposting/directions)

**Positive points**

(What did you like? Note down details of specific exhibitions, features in exhibitions, reasons you like it...)

**Negative points**

(What didn't you like? Why not? Give specific examples...)

**Overall thoughts**

(Review your positive and negative points. What is your overall assessment?)

**Final assessment**

(Would you recommend this museum to others. Why? Or, why not?)
