

Wanted

‘Blinged’ Camper Vans and Scooters

Coventry Transport Museum

Sunday 18 November 2012

On the evening of Coventry’s Christmas Light Switch-On last year, Millennium Place in front of Coventry Transport Museum was filled with a festive light display with a difference, as the Campers Christmas event saw an array of ‘blinged’ camper vans lighting up the square to create a fabulous spectacle.

This year, **Campers Christmas returns for 2012** even bigger and better, as we invite scooter owners to join in, in a **‘Vans vs. Vespas Bling-Off’!**

During the afternoon of Sunday 18th November, camper vans and scooters will begin to assemble in Millennium Place, and a range of festive entertainment will be on offer, as the vehicle owners cover their vans and scooters in Christmas lights and decorations.

When the City’s Christmas lights are switched on in the late afternoon/early evening, all of the campers and scooters will also switch on their decorative lights to form a glittering display, which is sure to spark some real festive cheer.

Camper van and scooter owners who wish to take part in the event should complete and return the form overleaf to book a place – prizes will be awarded for the best blinged van and scooter!

If you need more details about the event please contact Clive on 024 7623 4295.
